

**ANIMAL CONTROL INCIDENTS REPORT - MARCH 2016**

Rept Date	Case No.	Orig. Case # for Follow-up Case	Govt Agency	Dispatch Date	Incident Zip Code	Complaint Type	Animal Descript'n	Complaint/Issue	Complaint Disposition Type
3/1	2016-5741			3/1	21918	Dog At Large/Stray	Dog	Caller states his company picks up trash at the incident location. Vicious dog at address chases his employees and tries to bite them. It also follows them down the road.	Owner/Guardian Education
3/1	2016-5742			3/1	21921	Dog At Large/Stray	Dog	Caller states there is a Pit mix in his back yard. It was there early this morning, then it left for a while, but now it is back. It is barking and growling at him when he tries to go outside. Caller has two dogs of his own in his house.	No Dogs Running at Large
3/1	2016-5743			3/1	21903	Dog At Large/Stray	Dog	Caller states there is a small, very dirty white dog on the side of the road eating a dead animal carcass.	Gone on Arrival/ Unable to Locate/ Capture
3/1	2016-5744			3/1	21901	Animal Cruelty (Suspected); Animal Neglect (Suspected)	Dogs	Caller states the people at incident location have three dogs: one Lab/Pit mix, two Beagle/Terrier mixes. These dogs are always kept in one crate together in a back room. They are very emaciated, with no available food or water. They live in feces and urine. Occasionally they are let out of the crate, but when they have accidents in the house, they are severely beaten.	Follow-up/ Follow-Up Visit Required
3/1	2016-5745		Dept Emerg Svcs (DES)	3/1	21911	Dog confined for ACO pick-up	Dog	Caller states officer is at incident location with Pit Bull in resident's front yard. Need ACO to come pick up.	Impounded/ Taken to Shelter
3/1	2016-5746	2016-5744		3/1	21901	Animal Cruelty (Suspected); Animal Neglect (Suspected)	Dogs	Caller states people at incident location have three dogs. They are kept in a back room, all three inside one dog crate. No food or water is available for them. Their ears are infested with mites, one has nose injury, some hair loss, and emaciated. Rarely let outside for fresh air.	Other - refer to 2016-5744, dogs were able to be observed outside and do not have hair loss
3/1	2016-5747		Dept Emerg Svcs (DES)	3/1	21911	Dog confined for ACO pick-up	Dog	Caller states officer is at incident location with Pit Bull in resident's front yard. Need ACO to come pick up.	Impounded/Taken to Shelter

**ANIMAL CONTROL INCIDENTS REPORT - MARCH 2016**

Rept Date	Case No.	Orig. Case # for Follow-up Case	Govt Agency	Dispatch Date	Incident Zip Code	Complaint Type	Animal Descript'n	Complaint/Issue	Complaint Disposition Type
3/2	2016-5748			3/2	21904	Cat Issue	Cats	Caller states he has two kittens, around four weeks old, from the mother cat picked up earlier this week. Contained for ACO pickup.	Other - caller decided to rehome kittens before surrendering them.
3/2	2016-5749			3/2	21914	Dog At Large/Stray	Dog	Caller states a neighbor's dogs are loose, again. The yellow Lab is currently in her yard, using the bathroom. She is taking photos and will bring them in today for our files.	Other - caller was advised if another complaint is received, citations will be issued.
3/2	2016-5751			3/2	21901	Dog/Vicious Dog Attacking	Dog	Caller states that her dog and children were in their yard, the dog was tied and a neighbor's dog came up and attacked her dog and children. Caller was saying that this has been going on and nothing is being done about it. Looked up information and there has not been a report made to us except one in December. I stated that to her and tried to explain the process with her that we need to be notified of any/all situations so that we can take care of it. She was extremely rude and I was unable to continue talking to her.	Owner Surrendered Animal(s), Impounded/ Taken to Shelter
3/2	2016-5752			3/3	21915	Other	Dog	Caller states that her boyfriend was arrested and his dog has been in his house alone all day and she doesn't know when someone will be able to take care of the dog. She would go get the dog but she doesn't want any trouble from relatives of the guy. The aunt could take care of the dog but refuses to help.	Impounded/ Taken to Shelter

**ANIMAL CONTROL INCIDENTS REPORT - MARCH 2016**

Rept Date	Case No.	Orig. Case # for Follow-up Case	Govt Agency	Dispatch Date	Incident Zip Code	Complaint Type	Animal Descript'n	Complaint/Issue	Complaint Disposition Type
3/3	2016-5753			3/4	2192	Other	Dogs	Caller states three men at this address are breeding Pit Bulls. She has seen four litters in the past two years. They also walk the dogs without having them on leashes. Sometimes the dogs try to go after other dogs, but the owners yell for them and they listen. But she is still afraid to walk her own Pit Bull. She does not want us to take the dogs but does think they are overbreeding their female pit.	Other - dog owner claimed his dog has only had two litters, one last year
3/4	2016-5756			3/4	21921	Dog At Large/Stray	Dog	Caller states the people at incident location always let their dog run loose; now it is going after her and her children.	No Violations Were Observed At This Time
3/5	2016-5758			3/7	21921	Animal Neglect (Suspected)	Dogs	Caller says neighbor has two puppies, a Pit Bull and a Shepherd, four to five months old, that have been alone at the residence for three weeks. She said the neighbor lets puppies out once a day for about five minutes and then leaves. Concerned they are not being properly cared for and being socialized.	No Violations Were Observed At This Time
3/6	2016-5759		CC Sheriffs Office (CCSO)	3/6	21901	Other	Raccoon	CCSO called for assistance with a raccoon.	Other - ACO snared the raccoon that was then dispatched by CCSO
3/7	2016-5760			3/7	21921	Dog At Large/Stray	Dogs	Caller states the people at incident location have two dogs that are constantly running loose. The smaller one, "Cody" (very friendly) is a Boston/Chihuahua mix and is kept on a retractable leash all day, getting loose all the time. The larger of the dogs, "Rosie", (very skittish) a Bassett/Beagle that they found and kept, just runs loose every day, all the time.	Left Copy of Shelter Law; Left Copy of Tether Law; No Violations Were Observed At This Time; Owner/Guardian Education

**ANIMAL CONTROL INCIDENTS REPORT - MARCH 2016**

Rept Date	Case No.	Orig. Case # for Follow-up Case	Govt Agency	Dispatch Date	Incident Zip Code	Complaint Type	Animal Descript'n	Complaint/Issue	Complaint Disposition Type

3/18	2016-5853	2016-5821		3/24	21921	Dog/Vicious Dog Attacking; Dog At Large/Stray	Dog	Caller states that a neighboring dog is always loose and is aggressive, charging at caller. She called in a report earlier today and the dog was just out again but is no longer in caller's yard. Caller has to carry a shovel with her for protection while walking her Boxer. She will try to get the exact address and call back with it. Caller said if ACO comes to her house she will show you the path the dog takes. Caller has tried communicating with dog owner but dog owner doesn't seem to care and just lets his dog out.	No One Home/ Resident Would Not Answer

**ANIMAL CONTROL INCIDENTS REPORT - MARCH 2016**

Rept Date	Case No.	Orig. Case # for Follow-up Case	Govt Agency	Dispatch Date	Incident Zip Code	Complaint Type	Animal Descript'n	Complaint/Issue	Complaint Disposition Type
3/24	2016-5854			3/24	21921	Cat Issue	Cat	Caller states a stray cat had three kittens in a dog house in her yard a couple days ago. Since then the mother cat has had something hanging out of her. She has been dragging it across the ground trying to get it out. Now it is dirty and possibly infected.	Follow-up/ Follow-Up Visit Required
3/24	2016-5855			3/24	21901	Dog At Large/Stray	Dog	Caller states there is a male, unaltered, Rottweiler hanging around the bus stop. He was there this morning when she put her child on the bus, and he is there again now.	Gone on Arrival/ Unable to Locate/ Capture
3/24	2016-5856			3/24	21921	Dog/Vicious Dog Attacking	Dogs	Caller stated her Yorkie dog was in her fenced in yard. Neighbor's Pit Bull and medium breed mix dog were at large. Caller stated these dogs can be aggressive. The Pit Bull got its head under caller's gate and the medium breed dog attacked and got a hold on caller's dog through caller's gate. The Yorkie is bleeding from the ear, caller will seek vet care if husband cannot stop bleeding. These dogs are frequently at large and caller stated when she complained about them previously to animal control, she was told animal control was familiar with these dogs.	Citations Issued; Declared Dangerous
3/24	2016-5857			3/28	21921	Animal Cruelty (Suspected)	Dog	Caller states the people at incident location have a dog that constantly runs loose. Today the dog began to follow someone down the street. The owners came out and called the dog back. When the dog did not listen to the owner, he went to the dog, grabbed him by his collar/neck and slammed him onto the ground. The dog then got up and ran into the house. Caller's mother was also a witness of this abuse.	Other - dog owner stated dog would be relocated to a residence where it will be contained.
