## Anyone Can Ride!

Safe friendly curb to curb service is on a first come, first serve basis and is available to the general public, seniors & persons with functional disabilities. For appointments we appreciate a two week notice if possible. It may be necessary, at times, to reschedule appointments or have a layover to accommodate our routes. Our hours of operation are from 8:00 am – 4:00 pm.

Personal Care Attendants (PCA) are required for a passenger needing assistance to board and disembark the bus or passengers who are in a wheel chair. SSCT does not provide PCA's.
