

## New County Administration Building

***THANK YOU*** Nowland Associates, Inc. for your generous contribution to our new building - the beautiful 25-foot lighted tree located in the foyer!

The new Cecil County Administration Building in the Upper Chesapeake Corporate Center on Route 40 is finished and ready for our county departments right on schedule! The following county offices have moved to the new location:

Department of Economic Development  
Department of Parks and Recreation  
Department of Information Technology  
Department of Facility Management  
Cecil County Liquor Board

The complete relocation schedule for departments is available on the home page of our website. All county departments are scheduled to be in the new building by March 2008. The following offices will remain in their current location in the Circuit Court Building, 129 E. Main Street, Elkton: State's Attorney's Office, Circuit Court, Register of Wills, Orphan's Court, and the Office of the Clerk of the Court.

The 83,103 square foot, two-story building, is located in the incorporated town limits of Elkton on an approximate 11.3 acre parcel. The following county departments/offices will be located in the new building: County Commissioners, Administrator, Budget Manager, Human Resources, Permits and Inspections, Electrical Board, Public Works, Planning and Zoning, Parks and Recreation, Election Board, Liquor Board, Maintenance, Senior Services and Community Transit (including Senior Center), Purchasing, Treasurer, Information Technology, Economic Development, Housing, and Extension Office.

This project will enable county government to provide our citizens improved accessibility to comprehensive county services, while providing the Circuit Court system much needed additional space for expansion and parking at the Courthouse.
