**OVER 5 MILLION PEOPLE IN THE U.S.
SUFFER FROM POOR VISION AND
CAN'T AFFORD EYEWEAR.**

One in four U.S. children suffers from poor vision. All Cecil County Solid Waste Management Facilities are accepting used eyewear for

Recycling. All eyewear will be repaired, cleaned, and given to those in need.

“Proper eye care and eyewear kept me from losing my vision. Providing collection areas for used eyewear provides a valuable community service to those that cannot afford to purchase it otherwise.”
– Tanya Adams, Recycling Coordinator
