

Fluorescent Lamp Recycling

On September 15, 2007, Cecil County Central Landfill and Stemmers Run Transfer Station will begin recycling fluorescent tubes and lamps. Woodlawn Transfer Station will begin recycling them on September 18, 2007. 100% of the lamps are recycled. The following types of fluorescent lamps are accepted for recycling:

- 1 foot to 8 foot straight tubes
- U-Bend tubes
- Specialty fluorescent lamps
- High Intensity lamps
