

**COUNTY COUNCIL OF CECIL COUNTY, MARYLAND
LEGISLATIVE SESSION 2018-06**

**AMENDMENT NO. 3
TO BILL NO. 2018-01**

Title: Amendment – Zoning Ordinance – Poultry CAFOS

Synopsis: To insert the definition of a tunnel ventilation fan in the definition section.

Introduced by: Council President Bowsbey

On page 4, line 69, insert the following:

“Tunnel Ventilation Fan. A series of exhaust fans, usually 48 inches or greater in diameter, that are located at one end of the poultry house. Outdoor air is drawn into the poultry house either through sidewall air inlets (transitional ventilation) or tunnel inlets located at the opposite end of the house from the tunnel ventilation fans. The primary function of these fans is to operate in stages as a means of keeping birds comfortable through increased cooling by high air velocity.”
