FISCAL ANALYSIS:

The FY2023 capital budget (SB 291) includes \$85 million in general obligation bond funding for Local Parks and Playgrounds Infrastructure to be administered by the Maryland Department of Natural Resources. Cecil County was awarded \$1,500,000.

Senate Bill 291 of 2022 states that the capital budget authorization is for grants to the county administrative units managing local parks to design, construct and capital equip indoor and outdoor park infrastructure and other capital-eligible projects that enhance recreational amenities, including but not limited to trails, playgrounds, and recreational facilities.

The County has determined that \$1,200,000 of the grant shall be used to convert the stadium field at Rising Sun High School to a synthetic turf field.
