In order to better understand to what degree unowned cats are a source of intake and euthanasia, we need your help. To the best of your abilities, please indicate what percent and / or how much of CAT intake would you consider unowned (i.e. feral, or community cats) animals: 70%

How many of the euthanized cats would you guess are unowned: 98%

1/Pursuant to section 2-1602(H) of the Agriculture Article which states: "Beginning January 14,2014, each county and municipal animal control shelter and each organization that contracts with a county or municipality for animal control shall report quarterly to the Department on a form prescribed by the Department describing for the previous 3 months: (1) The number of cats and dogs taken in; (2) The number of cats and dogs disposed of, broken down by method of disposal, including euthanasia; and (3) Any other relevant data the Department requires." Please return completed survey by email attachment to mda.spayandneuter@maryland.gov or by mail to Maryland Department of Agriculture, Marketing Department (Spay and Neuter Program), 50 Harry S Truman Parkway, Annapolis, MD 21401.
