### FISCAL ANALYSIS:

With legislation passed by the Maryland General Assembly, it is a requirement to provide inmates with access to medication-assisted treatment. In working with the Cecil County Health Department, grant money has been awarded to begin the program effective January 1, 2023. It is unknown at this time what additional expenditures may be encountered.

The addition of \$552,960 in grant revenue within the Special Revenue-Other Grant's Fund from the Opioid Operational Command Center will begin to fund programs related to Detention Center Medication Supported Recovery.
