

**Cecil County, Maryland  
Purchase of Development Rights Program**

**APPLICATION TO SELL AN EASEMENT**

**PART A**

I/We \_\_\_\_\_, landowner(s) of agricultural land in Cecil County, Maryland, apply to the Board of County Commissioners of Cecil County to sell a development rights easement, pursuant to Chapter A281 of the Code of Cecil County, Maryland.

If a purchase of development rights offer is extended, accepted and approved by the Board of County Commissioners of Cecil County, payment will be based on the entire acreage referenced within this application (as verified by the boundary survey) **LESS** one acre for each pre-existing dwelling located on the property and withheld acreage, if any. For purposes of valuation, I/we affirm the parcel(s) acreage less pre-existing dwellings and withheld acreage equal \_\_\_\_\_ easement acres. (See Calculation of Easement Acreage in Part B, #5, of this Application.)

**Elections:**

**1. In the Deed of Easement, I hereby elect to (check one):**

- withhold parcel acreage, or
- waive all rights to withhold acreage.

If, in Election 1, you have elected to withhold acreage from easement; the lands withheld must be shown on a plat prepared by a surveyor licensed in the State of Maryland.

**2. I am/We are willing to sell an easement on my/our land to the Board of County Commissioners of Cecil County for \$ \_\_\_\_\_ per acre.**

**3. I am/We are willing to accept payment for the easement in the following terms:**

- easement offer paid in one time, lump sum payment, or
- easement offer paid in annual installments, up to a twenty-five (25) year period.

If, in Election 3, you have elected to receive installment payments, the period of time will be determined by the Board of County Commissioners of Cecil County prior to settlement.

I/We confirm my/our understanding that I/we may not change Elections 1 or 2, unless I/we withdraw my/our application and apply in a subsequent cycle, or unless the County agrees to such change.

If my/our property contains at least 25 acres of contiguous woodland, I/we understand that I/we must submit a complete Forest Stewardship Plan performed by a forester certified in the State of Maryland prior to settlement.

I/We give the Board of County Commissioners of Cecil County permission to conduct appraisals on my/our property upon reasonable notification. I am/We are aware that any approval to obtain an option contract for the purchase of development rights made by the Board of County Commissioners of Cecil County is subject to approval and available funds.

I/We understand that there is no guarantee that an offer will be made or accepted for the purchase of a development rights easement on this property.

In addition, I/we are aware that both Parts A and B of this Application to Sell an Easement must be completed and submitted to the County's Program Administrator, along with all necessary documentation. I/We understand that an incomplete application will be returned.

**Applicants are strongly advised to seek council with an Attorney and/or tax professional regarding the financial and/or taxation implications of selling an easement to the Board of County Commissioners of Cecil County.**
